

OUR TOWN

VOLUME XI, NUMBER 41

NARBERTH, PA., SATURDAY, JULY 11, 1925

PRICE THREE CENTS

BERWYN TOOK THE FIRST HALF FLAG

Narberth Had a Disastrous Day on the Fourth. Lost Both.

PAIST BERWYN'S STAR

Billy Doyle's Berwyn team won the first half championship of the Main Line League by winning from Narberth, the runners-up, Fourth of July morning, 7 to 4. It was the champions' ninth straight victory, and all of them are credited to pitcher Bobby Paist.

In the game at Berwyn each team collected thirteen safeties, but a big inning, the seventh, when Berwyn bunched hits for five runs, won the game. Three singles, a double and a triple, and two sacrifice flies in the seventh finished Narberth. The losers connected for no less than four three-baggers and a two-bagger, but Paist was poisonous in the pinches, and moreover was backed up by marvelous fielding. Townsend, the former Princeton southpaw, was effective except in the seventh. Features were the hitting and fielding of Doyle and Mayo for Berwyn, and the hitting of Jean Davis for Narberth.

The Boroughites tried to play Burns, their semi-pro catcher, who is holding a berth with a Jersey nine, but Berwyn protested him. It was the second defeat for the Crowellites at the hands of Doyle's nine.

It was a rough day for Crowell and his cohorts. After dropping the morning set-to to Berwyn, they astounded Ashland by handing that cellar aggregation the afternoon game. Vernie Fleck pitched. The score was 8-6.

Berwyn kept its record clean in the afternoon game with Paoli. It won, 6-4. Paist pitched part of the game, but credit for the victory went to R. Doyle.

Ashland won its first game of the Main Line League season, winning from Narberth, 8 to 6. The winners clearly deserved the victory, hitting the ball hard and playing faultlessly afield. J. MacFarlan's all-around playing, and the hitting of Jones, Farrar and Dickie featured.

Ardmore Knights of Columbus knocked out eight runs in the second inning of the morning's game with Ashland, enough to beat the home team, 8-7. A triple play by the Knights featured the game. With the bases loaded a liner was knocked out to Francis in left field. Francis doubled the runner at the plate after the catch, and Hough threw to Kane for the triple play.

Ardmore made a strong finish to beat Bala-Cynwyd in the afternoon game, 8 to 5. After trailing five to three for five innings, the Knights pounded out five runs on some good solid hitting. Murray was in fine form, holding Bala-Cynwyd to eight hits and striking out twelve. Features were the hitting of Titlow and Reeves and Billy Kane.

Final First Half League standings.

	W.	L.	Pct.
Berwyn	10	0	1.000
Narberth	7	3	.700
Ardmore	6	4	.600
Bala-Cynwyd	3	6	.333
Paoli	2	7	.222
Ashland	1	9	.100

Coming Games.

Don't fail to be on hand next Wednesday evening, July 15, as the Main Line Tigers, a fast colored team, will be the attraction. Business Manager Hollar has signed up some of the fastest clubs in and around Philadelphia. Newton Coal, another colored team who played in Narberth two years ago, will also be seen in action on our field in a few weeks with their brilliant one-armed fielder. Dunkirk, who gave us good baseball, will also play. In order to secure faster company for our fans we must pay more money to the better clubs who come here. This can be done if the fans come out and put their share in the hat.

Thursday, July 16, the K. of C. of Ardmore will play Narberth. This afternoon the Main Line League will open; Narberth will play at home.

Mr. and Mrs. Fred Hermann, of 109 Elmwood avenue, are registered as guests at the Normandie Hotel, Ocean City.

District Milk Control Office Keeping Busy These Days

Milk Control District No. 1 comprises the townships of Lower Merion, Haverford and Springfield (Montgomery County) and the boroughs of Narberth, Aldan and Lansdowne. The Milk Control Officer for this district is Dr. George W. Grim, who is kept on the jump making inspections of cattle, the conditions surrounding the preparation of milk and the sale of same that is to be consumed in the district.

During last month an inspection of dairies producing inspected raw milk showed them all to be in good condition with the exception of two, one at Newtown Square, where no attempt was made to eliminate the dirt found in the water supply, and the other at Ithan, where sufficient care was not exercised to prevent the milk from being contaminated by flies. The proprietor had also failed to file a copy of the last tuberculin test of his cows.

The Control Officer has ordered a new sterilizer in a dairy in Radnor Township. H. Colton and Dr. Henry Skinner have applied for licenses to produce milk. During the month tuberculin tests were made on 676 cows in dairies distributing milk in the district. Twelve cows reacted to the test.

The monthly visits of the Control Officer to pasteurizing plants prove very necessary and have improved conditions. Several visits have been made to some of the large Philadelphia dairies. Here conditions were found to be satisfactory, with the exception of one, where the capacity of the

plant has been overtaxed. This was due to this dairy's bottling 17,000 extra half-pint bottles, made necessary by the new Pennsylvania Milk law, which requires milk served in restaurants, ice cream saloons, etc., to be delivered in bottles.

An Ardmore milk dealer saved money by consulting with the Milk Control Officer before purchasing a bottle sterilizer, as the M. C. O. informed him the sterilizer he was about to buy would not do the work required by the Lower Merion Milk ordinance.

A Haverford Township dealer was apparently pasteurizing milk at a higher temperature than required, but on examination it was found the recording thermometer was incorrect; it was corrected and further inspection showed the dealer's milk was being pasteurized O. K. with the exception that he did not have the plant screened. He promised to do so.

Decidedly unsanitary conditions were found in a plant in Upper Darby, and the owner has been warned that if he does not make conditions to comply with the ordinances, "punishment to fit the crime" will be handed out, viz., be called before the Board of Health and show cause why his license should not be revoked.

The Wills-Jones-Supplee Dairy in Philadelphia have appointed a physician to conduct medical examinations of their employees, and he has conferred with the Milk Control Officer for the purpose of acquainting himself with the

CONTINUED ON THE FOURTH PAGE

NEW STANDS WITH 4000 CAPACITY FOR L. M. HIGH

Stands Which Will Increase Seating by 2500 Ready by Fall.

Operations have been started on the construction of a grandstand to take care of the crowds that flock to the Lower Merion High School field to watch the football battles of the school's teams. A concrete and iron stand, which will boost the seating capacity of the place by 2500, was started last week. It will line both sides of the field and will be completed by fall.

The temporary stands that have been the sole seating arrangements up to this year will be moved to the opposite side of the field and will supply room for 1000 spectators. The total seating arrangements will be close to 4000 people.

Another new addition to the athletic equipment will be a locker room, with showers and other auxiliaries which will be of the most up-to-date kind. This addition will be built at the back of the school, between the rear wall of the building and the steps and will also be ready for use by the opening of the season.

The new stands will be 297 feet in length and lack just three feet of being as long as the field itself. It will have 12 rows of seats, with six aisles for the convenience of spectators in getting in and out. They will be placed three feet farther back than the present temporary seats and the extra space will be used to widen the section of the track used for sprints. The job is to cost \$6500.

The erection of the locker rooms and showers will fill a long-felt need, for the senior high never has had adequate facilities for football, or any other teams. The addition will be built onto the back of the school.

The school garage is also being rebuilt and will be ready for use early in autumn, together with the stand and the new addition.

Swimmin' Hole Wrecked.

The downpour of rain on Tuesday afternoon resulted in the ruin of the swimming hole popular this summer with many of Narberth's youths.

The dam, located on Mill Creek at the red bridge of the Conshohocken State road, was washed away by the floods, and when the next contingent of youngsters arrived they found mud flats where there had recently been six feet of swimmin' hole.

Y. WILL ENTERTAIN AT CAMP THURSDAY

Boys, Girls and Parents Invited to Attend Outing.

The Y. M. C. A. has planned a great day's outing for girls and boys and for parents who wish to go, on Thursday, July 16, at the three "Y" camps in Downingtown. The Y. M. C. A. owns 450 acres of beautiful hills and streams on which it operates three camps, Camp Sunrise, for girls; Camp Dwight, for boys, and the Outing Camp for adults.

Arrangements for the day's outing on July 16 includes bus transportation, leaving the Ardmore Y. M. C. A. at 9 A. M., and returning at 7 P. M. The cost will be \$1.50, including the luncheon at the camp. The Y. M. C. A. will extend without charge the use of privileges for the day at camp.

The open-air swimming pool, the tennis courts, the playgrounds, lodges and all the splendid camp facilities will be at the disposal of the visitors. They will also have the opportunity to see some of the activities in the three camps which are conducted throughout the summer.

Bathing suits should be taken along. Registrations for the trip must be in hand at the Y. M. C. A. (phone Ardmore 833) by Tuesday evening, July 14th.

RESIDENCE HALL

Y. M. C. A. Reconstructing 22-Room Building.

Work is progressing rapidly in the residence on the site of the new Y. M. C. A. building, at Anderson and Montgomery avenues. The 22-room house on the Y. M. C. A. property is being redecorated, painted and equipped with new furniture and furnishings throughout for use as a residence hall for men and women pending the erection of the new building. There will be accommodations for 25 people.

The association is having the unsightly barn and shed removed from the back of the property this week. This change will greatly improve the corner and will clear the way for the earliest possible start on excavating for the swimming pool and gymnasium unit. The residence hall will be ready for occupancy sometime during the month of August, but application for rooms may be made now at the Y. M. C. A. building in Ardmore.

Classified ads are a cheap and convenient way of making your wants known.

LEAGUE RELAXES TERRITORY RULES

Stronger Nines and Lively Scraps Promised as a Result.

There will be a number of new faces in the line-ups of the various teams, members of the Main Line Baseball League, when the second half begins this Saturday. The league, which was strong for a tight, closed territory when the first half season began, has decided to relax a bit on its straight territory rules and will permit members to secure certain "outside" players.

The first half ended last Saturday, with the Fourth of July games and last Monday a meeting of managers and the executive committee of the league was held to make arrangements for the second half. At this meeting it was decided to permit teams to strengthen their line-ups with players who might not live in their immediate districts.

Concessions were made to every team except Berwyn. None were made to Berwyn because none were asked. This up-line nine, which went through the first half undefeated, declared its first-half team was good enough for the second and announced it would stand pat on its original list of players.

The biggest concession was made to Ardmore, which was given Hen Vockel, last year's star pitcher for Bala-Cynwyd. Vockel now lives in Philadelphia, but his former connection with the league, along with his wide acquaintanceship with fans and players, paved the way for his readmission.

Vockel's addition will enable Joe Cullinan to plug a hole in his line-up that gave trouble all through the first half. With pitching of the calibre that Hen is capable, Ardmore should give much trouble this half to both Berwyn, the league leader, and to Narberth, the runner-up.

Ardmore is also given one more player, an infielder.

Steps were also taken by Paoli and Bala-Cynwyd, the two top second-division teams to strengthen their nines. Both took advantage of Wayne's absence from the Main Line League this year, and put in requests for players from that section.

Paoli was given four Wayne players, among them Barney McHugh and one of the Dorseanos. Bala-Cynwyd got Harry Bateman, an outfielder from Wayne.

Bala-Cynwyd was also given permission to draft the services of Dan Lacey, a shortstop, and Ernest Jenkins, a catcher and utility outfielder, both of Narberth; Jim Kerwin, a third baseman, from Bryn Mawr, and Clark Wilson, a catcher from Ardmore.

Narberth was granted leave to use Bobby Gibson, of Overbrook. Gibson played with Narberth last year and was a factor in Narberth's winning of the championship. He was barred the first half, when the closed territory rule was put into effect.

Ashland was given permission to draw players from Manayunk and Roxborough. Its selection of a new manager was also indorsed.

No changes will be made in the

CONTINUED ON THE FOURTH PAGE

A Narrow Escape.

While motoring last Tuesday afternoon the family of C. William Glose, of Hampden avenue, had a narrow escape.

They were driving up City Line avenue during the violent windstorm in the late afternoon. Suddenly a huge bough was ripped from a tree overhead and fell on the car. It crushed the front of the machine, doing damage estimated at \$150, but missed Mr. and Mrs. Glose and the two children who were riding in the rear seat.

The accident occurred at a spot but a few feet distant from the place where "Big Bill" Humphries, former star of the Narberth ball team and father of several players since his day, was killed some years ago. His car ran away and crashed into a tree by the side of the road.

Robert J. Edgar, of Windsor avenue, left yesterday for an extensive trip through Maine. He plans to visit many of the large gardens in the coastal cities, and has been invited to address several groups on garden topics.

TELL THE POLICE

With an eye to cutting down the marauding depredations of the soft-shoe and second-story man, the township police are requesting all residents who are blissfully dreaming of vacations in the cool fastness of the seashore or nearest mountain resort to let them in on the secret of their vacation; the time it is to be held, and how long a time it will be.

In this way the "copper" will be able to tell when to descend on the necks of housebreakers without taking any chances of diving onto the wrong parties. Any houses known to be vacated for any length of time will receive especial attention.

If by any chance it should be desirable to allow one or more persons access to the house let the headquarters know who these people are and how many there are; then they will be able to go to and fro without being hailed to Court and assailed with a house-breaking charge.

HERE AND THEREABOUTS

The reassuring part of the news that the Howards are giving up their excellent shop is the fact that they intend to continue to live in Narberth, and what could be better than that? It is also noted that their schedule of rest includes several months at Florida and the logical conclusion is, of course, that some part of the million they made hereabouts will find a haven in the land of Ponce de Leon, and that being the case we all know where we can go for free bed and board when the winter urge comes to hie southward. It's just about 10 years ago when the borough seemed to perk its ears and get ready for a forward movement. The modern drug store has an indispensable place in the affairs of a progressive community, and we were indeed well favored when this alert, aggressive and affable young man with his Titian locks appeared in our midst and opened a store which ever since has been a neighborhood centre in the best and most serviceable sense of the term. The spirit of the establishment has always reflected the splendid and effective personality of its proprietor, and it was not surprising that the little store which marked his advent had to be soon doubled up to keep pace with the generous patronage which was made available to him. Those of us who have to do with local activities know and appreciate thoroughly well the kind of valuable help and support which the Howards were always willing to lend, and if the town has made a way to their door they in turn have a proper right to feel that they always fulfilled their part of the bargain and that they have done their full share in bringing Narberth into full estate. We wish them exceedingly well as they go further on life's way, and we know that in the affluence which has come to them they will not forget those who shared their humbler days and plainer ways.

Meanwhile, we welcome Mr. Koch, the new proprietor, and we bespeak for him a continuance of the success which has always characterized the Howard store. The calibre of the newcomer has been well established by his eventual experience in Philadelphia, and we would say that he has all the requisites necessary for a serviceable career in Narberth.

The American Legion gave us all a pleasant and profitable evening on July 4 with speeches and music and wonderful fireworks galore. Occasions such as this make us feel glad that we have had the foresight to reserve a spacious place for outdoor affairs and the thought comes, in view of the fact that the playground will be a finished project before long, that next year's celebration might be even a more elaborate affair, with all the customary games for adults and children, not overlooking the stout ladies plus a few special ideas of our own. If you ask a man from Glenside, for instance, what he regards as the best feature of his town's activities, he will promptly tell you the Fourth of July celebration, and, with all due respect to our northern neighbors, our facilities for such affairs far exceed theirs. It would take a few extra dollars to accomplish all this, but the funds are sure to come, and the idea is passed along for further consideration at the proper time.

CONTINUED ON THE SECOND PAGE

RECORD CROWD AT FOURTH EXERCISES

Pupils Get Legion Medals. Pyrotechnic Display a Feature.

CREDIT TO COMMITTEE

Narberth celebrated the Fourth in a most creditable manner on the evening of the nation's natal day.

Before nightfall a great throng began gathering on the playgrounds, streaming in from every direction, while the whole length of the long stretch seemed to be lined with automobiles. There was music and glory galore.

Breathes there a man with soul so dead,

Who never to himself hath said, "This is my own, my native land?" If such there be go mark him well, For him no minstrel raptures swell—

No chalk marks, however, need be made on Narberth folks for such lack of patriotism, for splendid music was furnished by Dotti's Concert Band. Now and then when a familiar song was struck up, the young folks, present in vast numbers, joined in with song.

One of the most pleasing features of the occasion was the awarding of the American Legion's "School Award" medals to one boy and one girl from the graduating grade of the grammar school of Narberth. These awards are among the best work that the Legion is doing in fostering the spirit of patriotism among the youth of the land, and it must cost a good sum of money to have prepared these medals for every such school the country over. The medals are of bronze and were designed by R. Tait McKenzie, the famous sculptor. On the one side of the medal awarded the boy appear a soldier in khaki and sailor in characteristic garb—symbolic of the war power of the United States and of the two arms of the service offered to the boys in time of national peril. On the girl's medal is a young woman with a flag in her hands, significant of the opportunity to the wives and sweethearts of the men who serve at the front to keep the home fires burning in patriotic blaze. On the reverse of either medal is the American eagle and flag and underneath the inscription are the words "American Legion's School Award," together with the five points for which the medal is awarded—"Courage, Honor, Leadership, Service, Scholarship."

Each of the points counts 20 per cent, if the maximum is allowed to the winners, and the determination is made by a committee of the Legion in consultation with the teachers of the school.

The successful winners were Miss Dorothy Seymour Cleverger, daughter of Mr. and Mrs. H. L. Cleverger, of 107 Woodside avenue, and Richard Torrance Banks, son of Mr. and Mrs. Howard A. Banks, of 110 Woodside avenue. A singular coincidence in connection with the event is that the fortunate young people are neighbors, living diagonally across Woodside avenue from each other, and furthermore that the leader in the Harold D. Speakman Post of the Legion here at Narberth, who presided over the celebration and who awarded the medal is a neat and appropriate address, Mr. Arthur W. Burns, is also a neighbor of the winners, living at 108 Woodside avenue.

The patriotic address of Mr. Burns and the awarding of the medal were followed by the display of fireworks of various and often gorgeous designs. The thanks of the community are due to Mr. A. Jules Betus and his committee for the delightful celebration.

Register Next Week.

The last opportunity to register for the September primaries will be Tuesday and Wednesday, July 14 and 15, from 10 A. M. to 3 P. M. and 6 P. M. to 9 P. M. Eastern Standard Time.

Below are given the respective polling places and names of Registrars:

Ward No. 1, Borough Hall, Louise V. Cockrill.

Ward No. 2, garage, corner Essex and Haverford, Ella Murray.

Ward No. 3, Boy Scouts' House, Abbie W. Nickerson.

To the Editor of "Our Town":
The announcement in "Our
Town" of the sale of Howard's
Drug Store and its purchase by Dr.
Koch makes opportunity to con-
gratulate our community on an ac-
quisition. Dr. Koch is an acqui-
sition, an acquisition from every
angle of observation. It has been
my privilege to know Koch as
boy and man since his student days
and welcome him as the new owner.

HERE AND HEREABOUTS

CONTINUED FROM THE FIRST PAGE

Our friend, Charlie Noel, one of
the local Republican committee,
seems to be considerably perturbed
because of the dearth of candidates
for the various borough offices
which are about to be vacated by
their present occupants. There are
three active candidates for tax col-
lectors, Mrs. Nickerson, Mr. Chain
and Mr. Dold, with possibly one or
two more in the offing, but as this
is written no papers have appeared
for Councilmanic candidates, and it
is said that four new members will
have to be elected next fall as the
report is that the present legislators
are not disposed to run again.
There's no doubt that considerable
sacrifice and disappointment is at-
tached to public service in a small
community, as not only must the
work be done without financial com-
pensation, but whatever is done is
sure to have its critics, and the
"political mind" which is necessary
to overcome this is not a particular-
ly prevalent commodity. Neverthe-
less, those who have the real capa-
city which the circumstances re-
quire, the intelligence, judgment and
experience, ought to be willing to
spend themselves a bit in behalf of
their fellow-citizens, and it is hoped
that some worthy candidates will
hoist their standard within the next
few weeks. We must also elect a
new Burgess, as under the law Mr.
Metzger cannot succeed himself,
and that is an office which should
receive the special attention of our
citizens. Mr. Hall, the present
president of Council, has been fa-
vorably mentioned in this connec-
tion, and so has Robert J. Nash,
our irresistible realtor. Ralph
Dunne, notable for his clean-cut
business methods and for his pro-
gressive policies generally, has also
been suggested, and it is possible
that Michael Collins, the popular
Squire of Narbrook Park, might be
persuaded to serve a term in the
skipper's seat. There are no doubt
many others who could properly
fill the bill in the potential four years
ahead of us and every effort should
be made to bring forth the town's
best for the burgomeister's berth.
Nomination papers for all the offices
to be filled may be had at once on
application to Mr. Noel or any of
the other members of the commit-
tee, and it is hoped that those who
have the will and capacity to serve
will not be reluctant in forwarding
their candidacies.

The baseball club lost the first
half of the Main Line League sea-
son by one game, but it may com-
fort them to know their friends re-
gard them as a 50 per cent. better
team than the Berwyn Club which
beat them to it. The deciding game
on the holiday morning went against
us altogether as a result of a series
of bad breaks, with the result that
demoralization had its way among
the borough players and every mis-
take caused a run. The umpiring
was wretched and almost invariably
at the expense of Narberth. The
lack of ground rules also lost us at
least one run, possibly two, and the
constant and useless confabs which
the referee's decision produced ap-
parently resulted in a state of mind
on the part of the team which we
will say was accountable for some
rather weird and expensive plays on

our part. The Ashland game at
home in the afternoon reflected the
harrowing hangover from the
morning before and we lost again.
Nevertheless, we are the league's
one best bet and the second last half
of the pennant race now underway
will prove that very thing. So,
then, gentlemen, get your money
down quickly.

And, of course, we ought to have
a formal opening of the playground
when it is completed, with all the
frills and furbelows which usually
accompany such auspicious advents.
THE SPECTATOR.

HONEST, WE'RE GOOD!

So Say the Members of the Fire Com-
pany Ball Team.

Well, the sparks still fly around
the old baseball diamond as the
Narberth Fire-eating Giants take
their turn at trimming any and all
opponents who care to take a
chance at a good beating.

To be truthful, on Friday eve-
ning, July 3, the Narberth "All-
Stars," whom the Fire Company
boys defeated last week, retaliated
by winning this game, 2 to 1. But
it was a cracking good game, and
to be sure, a little opposition
makes everything more interest-
ing, including this big-league
sport of baseball.

On Tuesday, July 7, the game
with the Fairview "Wildcats" was
called in the fifth inning on
account of rain, with score tied,
1-1. Some of the fire company
confided to the "cub" that they
were ready to break loose in the
sixth, but, of course, no one can
control the weather, even those
good at calming fires—and wild-
cats.

On Monday night, at 6.30,
they're going to meet the Ard-
more "Lion Tamers" on Nar-
berth's field. Don't miss this game
if you care a rap about good, stiff
baseball, because the fire company
is out to show that it takes more
than Lion Tamers to put the muzz-
le on a husky bunch of brisk-
batting, wizz-whirling Fire-eaters
when they start to play ball!

HEAT FOLKS

THE HEAT FOLKS ALWAYS
GO OVERWEIGHT
THEY BELIEVE IN GOOD MEASURE
THAT OLD FASHIONED TRAIT

We know what the Heat Folks
will do for you, because what
can't come in, can't go out. The
Heat Folks are a set of jolly
elves that trim Old Winter's
claws.

They spare your purse and
disposition. They will turn a
winter cold as ice into a summer
warm and nice.
The rules of our yards are rigid.
Every load of coal that enters
must give the countersign—"14-
kt. Solid Coal and Clinker-free."

Call the HEAT FOLKS

for Good Clean Coal

CYNWYD 700

GOING AWAY?

We heard you were leaving for your vacation.

Bon voyage!—Happy holiday!

But—may we intrude with a practical sugges-
tion?

Order some coal before you go!

In a little more than 60 days the furnace-feed-
ing season will begin again. You are going away to
be cool—but you don't want to come home to freeze.

With next winter's severest problem settled,
you can skip away rejoicing!

Concrete Blocks Save Coal

The coal bin and the coal shovel don't meet so often in the house that is built of concrete blocks covered with stucco.

And the man who pays the bills is richer by 13 1/2% of his annual coal bill.

Houses built of concrete blocks and covered with stucco cost only from 2% to 5% more than frame houses; and besides being warmer in winter, are cooler in summer. They never need repainting and are permanently beautiful.

Ask your building material dealer to tell you the economy and beauty achieved in building homes with Atlas Portland Cement.

ATLAS
PORTLAND CEMENT

THE FIRESIDE

Miss Anna W. Kirk, of the Merion Title & Trust Company, with her sister, Miss Mamie T. Kirk, is spending the month of July in Chicago as the guest of Mr. and Mrs. R. M. Reynolds.

William Neider, of 112 Elmwood avenue, is visiting Ralph Bowman in Ocean City.

Mr. and Mrs. Ray Weiss and children motored to Washington, D. C., over the Fourth.

Mr. and Mrs. B. F. Livingston and family, of Essex avenue, returned last week from an extensive tour through Chicago, Cleveland, Michigan and the Middle West.

Mr. and Mrs. Harry A. Simpson are sojourning at Ocean City.

Dr. and Mrs. Romaine Hoffman with their daughter Betty spent several days last week at Ocean City.

Mr. Ralph D. Megee, of Dudley avenue, who recently recovered from an operation for appendicitis caught the largest weakfish ever hooked in Barnegat Bay last Sunday. It weighed 10 1/2 pounds.

Mr. and Mrs. Harvey C. Bechtel and family have moved from Merion avenue to their new home on Maple avenue.

Frank Hutchison spent the week-end as the guest of the family of Mr. John A. Caldwell at the latter's cottage in Ocean City.

Mr. William D. Smedley has been seriously ill at his home for the past week. He is now recovering.

Mr. and Mrs. James F. Haughey are among Narberth's new residents. They purchased a home at 102 Price avenue through John A. Caldwell.

Frederick H. Harsch expects to leave tomorrow for Asheville, N. C., where he will stay for an indefinite period on work for the Lehigh Portland Cement Company.

Mrs. Richard Nichlos, of Augusta, Ga., is visiting Mrs. William Lockyer, of Merion avenue.

Warren M. Hubbard and J. Taylor Darlington spent two days over the Fourth camping on the Brandywine.

John A. Miller, Norman Dorsey, Taylor Henry and Henry Mueller went on a successful fishing trip to Fortescue on Wednesday and Thursday.

Mr. and Mrs. Robley Warner, of Narberth avenue, and Mr. and Mrs. Edward Currie, of Philadelphia, are on a two-weeks' motor trip to Niagara Falls and the Thousand Islands. They will also take a boat trip on the Great Lakes and spend a few days on Mackinac Island, Mich.

Miss Ethel E. Shaw, who has been visiting her sister-in-law, Mrs. C. H. Shaw, has returned to New York city where she will attend the summer school of Columbia University.

Howard Cotter, Jr., motored to Washington, D. C., and into West Virginia over the Fourth.

Mr. and Mrs. Walter Y. Shaw and family have gone to Cape May, N. J.

Mrs. W. H. Hartel is visiting in Washington, D. C.

Miss Sarah Lorimer and Miss Helen Hartel have gone to Greenville, O., for a visit.

On the Fourth of July the home of Mr. and Mrs. John R. Johnston, 309 Grayling avenue, was the scene of a very pretty celebration in honor of their golden wedding anniversary. After a surprise party in the evening a display of fireworks was held on the lawn.

Among the many celebrating the return of Amundsen from the North Pole were Mrs. Charles V. Noel and Mrs. Charles A. Fletcher, of North Narberth avenue, who, at that time, were touring in that location as well as the North Cape, Norway and Sweden. Mrs. Noel and Mrs. Fletcher sailed for America on the steamer Olympic on July 1, from England.

Read the Advertising.

OUR TOWN

MAGAZINES

The increasing use of the magazines in the library is noted with much satisfaction. Readers drop in each day and spend a pleasant hour enjoying their favorite periodical. The library, since it has been moved into its new quarters, is cool and well lighted. There are comfortable chairs and two large tables on which are current numbers of magazines for seniors and juniors, suited to all tastes, fiction, science, politics, business, education, gardening, interior decorations; in fact, any subject in which one may be interested. The community is asked to make use of this department any afternoon and Friday evenings. The following is a list of magazines which may be found on the library tables:

American, American City, American Legion Weekly, Asia, Association Men, Better Homes and Gardens, Bulletin of League of Women Voters, Christian Science Journal, Colliers, Good Housekeeping, Industrial Digest, Industry Illustrated, International Studio, John Martin's Book, Journal of Society of Automotive Engineers, Ladies' Home Journal, Liberty, Literary Digest, Literary Review, Mail Bag, National Geographic, Nation's Business, Natural History, Nature Magazine, New Republic, Outlook, Pennac News, Pictorial Review, Popular, Progressive Education, Radio Broadcast, Review of Reviews, Saint Nicholas, Scientific American, Stamp Herald, Time, Woman's Home Companion.

CONTROL OFFICER BUSY

CONTINUED FROM THE FIRST PAGE
method of reporting results of the physical examinations.

No prosecutions were made during the month for violation of milk ordinances, but special notices were forwarded to four dairies concerning objectionable conditions noted upon inspection. Twenty-nine health certificates were issued dairy employees during the month and analyses were made of 94 milks, five creams and one buttermilk collected in the Milk Control District. Of these 50 were from Lower Merion, 32 from Haverford, 12 from Lansdowne, three from Aldan and three from Narberth.

LEAGUE RELAXES ON CLOSED TERRITORY RULE

CONTINUED FROM THE FIRST PAGE
members of the league, in spite of rumors to the contrary. All six teams that were in the first half will stick for the second.

Ashland, however, will be a traveling club. Due to the fact that its field is in poor shape it will play no home games.

The second-half season was not scheduled to get under way until next Saturday, July 18. In the original schedule no games were listed for July 11. This was to enable teams to play off games that might have to be postponed on account of rain.

JOHN E. LAFORE

John E. Lafore, retired importer of Philadelphia, died at his summer home at Cape May on Thursday of last week. He was 84 years old.

For 65 years he had been deeply interested in the work of the French Benevolent Society of Philadelphia, having served for many years as president, and during the last five years as honorary president of the society. In 1919 the French Government recognized his services by conferring on him the decoration of Officer of Public Instruction, he and Dr. M. Carey Thomas, formerly president of Bryn Mawr College, being among the few in this country to receive this honor.

He is survived by his wife, Mrs. Josephine H. Lafore, one daughter, Miss Mabel Lafore, and three sons. Funeral services were held on Monday, J. A. Lafore, Fairview Farm, day at 2 P. M. at the home of his near Narberth.
